WELCOME

Dear 5-a-side soccer friends,

We're happy that you're interested in the brochure of the COPA DEL MAR tournament. Our international 5-a-side outdoor soccer tournament is well known for a very specific item. We organize it every year on another location in another country, around the Mediterranean Sea.

As you'll see in the next pages, we had our previous editions in Spain (3x), Italy (3x), Croatia (2x), Portugal (3x) and Greece (2x). The 2025 edition will be held in Greece again.

And not, just another Greek edition. No, we choose this specific spot because one of the most important battles in Greek history took place here. This battle has led to one of the most famous athletic disciplines in the world: Marathon!

We found 2 hotels, a 3* & 4*, in Nea Makri, also known as Marathon Beach. The Citizens of Athens gladly spend their weekends at the beaches. Easy, since our hotels are only 1 hour away from the historical center of Athens and only a short ride of 35 min. drive from the international airport Eleftherios Venizelos.

Both hotels are owned by families with old Greek roots and they manage them proudly. Each of them has his advantages.

The 4* hotel is a resort, with a hotel and lots of bungalow blocks. Looks like a village with several swimming pools, 2 restaurants, bars, beach strip with free chairs and umbrellas and an amphitheater. Perfect for families. In this hotel we've the most available rooms and it will be our base for the Welcome & Champions Cups Night!

A bit further (4 km by car/1.2 km by foot), you find the 3* hotel. It's a more typical Greek hotel. Smaller size, bar, a swimming pool and fully renovated modern rooms. One of advantages of this hotel is that you're next to the bars and restaurants at the smaller public beach and harbor. We've a limited total of rooms in this one.

Our choice of the 2025 destination is a very specific one. The fantastic geographic position close to the countries which brings the most teams and close to one of the biggest airports in Europe. Easy to find direct flights for teams flying in from in & outside Europe. For those who like to visit the old monuments of this country which is called the 'cradle of Europe', this is THE opportunity!

Concerning our soccer program we found a football stadium, with artificial grass soil, 4 (40 x 20 m) fields, situated right in the middle of the 2 hotels (2.4km).

It was a very intense battle to find a destination in Greece, according our standards. But this is for sure a real top deal to experience.

We're sure you can't resist this one and we'll see you in Greece!
